## The 24th Annual St. Croix Valley Pottery Tour

"The Tour" is a celebration of pottery and potters.

Always held on Mothers' Day weekend, it is nationally recognized as a gathering of exceptional potters offering an intriguing array of handmade ceramics.

We, the host potters, have invited fifty guest potters this year. They are coming from sixteen states, Jamaica, and Norway. Together, we will present thousands of pots for sale at our seven pottery studio locations.

We invite you to visit some or all seven studios, meet the potters, and enjoy their "open house" hospitality. Admission to all the studios is free and open to everyone.

The seven pottery studios are located in the upper St. Croix River valley, less than a one hour drive from Minneapolis and St. Paul and each location is a short, springtime drive from the others.

Visit our website: [minnesotapotters.com](http://minnesotapotters.com) to learn more about the potters, find lodging information, view a slide show, and peruse the links to related websites.

As a way of saying "Thank you" for the enthusiastic support we experience with this event, a portion of the proceeds each year is donated to regional art and educational projects.
